## Major chemical corporations rely on *The Journal of HazMat Transportation* as an expert guide and source of information for compliance in the complex field of hazardous materials packaging and transportation.

*The Journal of HazMat Transportation* delivers your message directly to key specifiers and buyers of packaging, and packaging and hazardous materials related services, as well as targeting transportation and logistics, and distribution regulatory compliance decision makers.

It is supported by some of industry's foremost authorities in the hazardous materials field, including as Technical Advisors Frits Wybenga, Ed Mazzullo, Michele Sullivan, PhD, Ed Pritchard, James Rader. Other guest contributors from the packaging and chemical industries give additional depth to the publication's analysis of U.S. and international packaging and transportation regulations and packaging developments.

Advertising in *The Journal of HazMat Transportation* will align your products and services with some of the best and most focused editorial published today.

Vincent Vitollo, *Publisher*
